

# Clever Single Sign On

Clever brings all your applications into one secure portal and provides single sign-on (SSO) for everyone in the district.

## Syncing with SAM Studio

### Step 1:

Accept your invitation from SAM Studio

- This will consist of:
  - Creating a connection with your SIS
  - Adding SAM Studio
  - Configuring Clever Logins
  - Setting up the Clever Portal

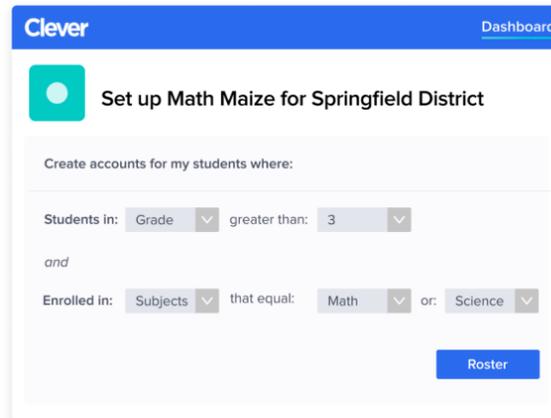

### Step 2:

Visit [clever.com/applications/add/SAM-studio](https://clever.com/applications/add/SAM-studio)

### Step 3:

Configure user access

### Step 4:

Train Teachers

- On How to login with Clever
- On How to use SAM Studio
  - Email for support [customersuccess@samlabs.com](mailto:customersuccess@samlabs.com)

## Troubleshooting

### Data incorrect in Clever

Most common solutions:

- Fix data in SIS
- Review [Clever troubleshooting documentation](#)
- Contact Clever Support

### Data incorrect in SAM Studio

Most common solutions:

- Confirm data is correct in SIS
- Confirm data is correct in Clever
- Confirm record is shared with SAM Studio
- Wait 24 hours - data is synced daily
- Contact [customersuccess@samlabs.com](mailto:customersuccess@samlabs.com)

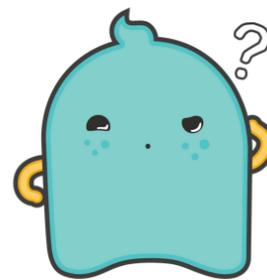

### User Access

[Support Tools > Troubleshoot Sharing](#)

Identifies why a user does not have access application.

Most common solutions:

- Adjust Sharing permissions
- Fix enrollments in SIS

### Logins to SAM Studio

[Support Tools > Troubleshoot Login](#)
